

Media Kit 2017

TryBelleMag.com is an active healthy lifestyle magazine launched in 2015. Our digital magazine helps us reach a wider demographic, while keeping your marketing rates low.

Growth

Demographic

Our readership and follower demographic is made up of mostly women at 74.9%, between the ages of 25 to 54.

These women are active, healthy living, life loving yogis, paddle boarders, fitness mamas and adventurous explorers.

Locations

We are located in Ontario, Canada, but our magazine is read worldwide.

USA = 48.25%

Canada = 24.51%

Next comes Australia, United Kingdom, India, New Zealand, China, France, Philippines and Germany, in that order.

Editorial

Since TryBelle is a digital magazine we publish regularly and not in volumes. Our writers are located all over the world, as far as Sweden and Australia.

Our sections include:

Yoga, Fitness, Healthy Eating, SUP, Travel, Mindset, Reviews and Giveaways.

Web Traffic

According to our Web Analytics, our bounce rate is 26.46%, unheard of in the media industry.

71.60% is new traffic. The remaining is returning traffic.

We average about 733 visitors per day. That is almost 22,000 visitors over a 30 day period.

We have a fairly even split between readers that access us via desktop and mobile devices.

29.2% of our traffic comes via various social media channels.

The remainder comes to us organically, directly or through referrals.
